Long-term incentive programs within the company shall primarily be linked to certain pre-determined financial and share price related performance criteria. The programs shall ensure long-term commitment to the development of the company and shall be implemented on market terms. Long-term incentive programs shall run for at least three years. Item 18

The Board of Directors proposes that the Meeting resolves to introduce a long-term incentive program ("LTIP 2013") and transfer of shares to the participants in LTIP 2013 in accordance with items 18 a) and b). LTIP 2013 has the same structure as the long-term incentive programs adopted previous years (2010 - 2012)

a) Introduction of a long-term incentive program 2013

The Board of Directors proposes that the Annual General Meeting resolves on the introduction of a long term share based incentive plan, LTIP 2013, as follows.

LTIP 2013 in brief

The Board of Director's main objective with the proposal of LTIP 2013 is to strengthen BillerudKorsnäs' capability to retain the best talent for key leadership positions. The aim is further that managers and key employees whose efforts have direct impact on BillerudKorsnäs' result, profitability and value growth, shall be stimulated to increased efforts by aligning their interests and perspectives with those of the shareholders.

LTIP 2013 comprises up to 25 executive officers and other key employees within the BillerudKorsnäs Group, identified as essential to the future development of the Group. To participate in LTIP 2013, the participants must own BillerudKorsnäs shares. Such shares could be previously held, and not already allocated to previous incentive plans, or purchased on the market in conjunction to the notification of participation in the program, which occurs after the AGM 2013. Thereafter, the participants will be allotted BillerudKorsnäs shares, free of charge, after the vesting period of three years, commencing after the 2013 Annual General Meeting and ending in conjunction with the publication of BillerudKorsnäs' first quarter report for the year 2016, provided that certain conditions are fulfilled.

Participants in LTIP 2013

LTIP 2013 comprises up to 25 persons consisting of the CEO, the Executive Vice President and the other members of the Senior Management Team and other executives with key positions in the Group.

Personal investment and allotment of share rights

To participate in LTIP 2013, the participants must purchase BillerudKorsnäs shares at market price on NASDAQ OMX Stockholm ("Saving Shares"). Previously held BillerudKorsnäs shares, which are not already allocated to previously adopted long-term incentive programs, may also be accounted for as Saving Shares.

Participants are offered to allocate Saving Shares not exceeding a number equal to 10 per cent of the participant's gross base salary as per year end 2012 divided by the closing price of the BillerudKorsnäs share per the last trading day of 2012, i.e. 28 December 2012 (SEK 61.25) (the "Closing Price"). Participants who have received a new position or extended area of responsibility in the new group BillerudKorsnäs shall instead be offered to allocate Saving Shares not exceeding a number equal to 10 per cent of the participant's gross base salary as per 1 January 2013 divided by the Closing Price.

Saving Shares shall be purchased or allocated to the program in connection with the notification to participate in LTIP 2013. If the participant has insider information which prevents him/her from purchasing BillerudKorsnäs shares in connection with the notification to participate in LTIP 2013 the shares shall be purchased as soon as possible, but prior to the next Annual General Meeting.

New members of the senior management team and / or other key employees that have not yet commenced their employment at the time when notification to participate in the program at the latest shall be given, may, upon the condition that the employment commences during 2013, be offered to

BILLERUDKORSNÄS

participate in the program, if the Board of Directors deems it to be in line with the purpose of LTIP 2013.

For each Saving Share that the participant invests in and allocates to LTIP 2013, the participant is, free of charge, allotted 1 matching share right ("Matching Share Right") 3 performance share rights ("Performance Share Right") (together referred to as "Share Rights"). However, the CEO will be allotted 1 Matching Share and 5 Performance Share Rights for each Saving Share allocated to LTIP 2013 and the Executive Vice President and will be allotted 1 Matching Share and 4 Performance Share Rights for each Saving Share allocated to LTIP 2013. Provided that the conditions set out below are fulfilled, the Share Rights entitle to allotment of BillerudKorsnäs shares as described below. Allotment of shares in BillerudKorsnäs will be made, free of charge, after the release of the interim report for the period January – March 2016.

Matching Share Right

For each Saving Share that the participant invests in and locks in to LTIP 2013, the participant is, free of charge, allotted 1 Matching Share Right, which entitles the participant to, free of charge, receive 1 BillerudKorsnäs share, based on the conditions that the participant is (with certain exceptions including e.g. participant's death, disability, retirement or the divestiture of the participant's employing company from BillerudKorsnäs or consequences of a change of control) still employed by the BillerudKorsnäs Group and has retained the Saving Shares at the release of the interim report for the period January – March 2016.

Performance Share Right

For each Saving Share that the participant invests in and allocates to LTIP 2013, the participant is, free of charge, allotted 3 Performance Share Rights. However, the CEO will be allotted 5 Performance Share Rights for each Saving Share allocated to LTIP 2013 and the Executive Vice President and will be allotted 4 Performance Share Rights for each Saving Share allocated to LTIP 2013. The Performance Share Rights are divided into three series, series A-C. For all participants, except the CEO, the Executive Vice President and the CFO, each Saving Share entitles to 1 Performance Share Right of each series. For the CEO each Saving Share entitles to 2 Performance Share Rights of series A, 1 Performance Share Right of series B and 2 Performance Share Rights of series C. For the Executive Vice President and CFO each Saving Share entitles to 1.5 Performance Share Rights of series A, 1 Performance Share Right of series B and 1.5 Performance Share Rights of series C.

The allotment of BillerudKorsnäs shares due to Performance Share Rights of Series A-C requires that the conditions for the Matching Share Rights are fulfilled. In addition, allotment of BillerudKorsnäs shares due to Performance Share Rights requires fulfillment of certain performance conditions. The performance conditions vary for the respective series and are based on financial goals during the financial years 2013-2015. The Board of Directors intends to present whether the conditions have been fulfilled in the annual report of 2015.

Series A The performance conditions for the Performance Share Rights of series A relate to BillerudKorsnäs' average operating margin for the period 2013-2015 ("EBIT Margin") . (for the purposes of determining the level of fulfillment of the performance targets, EBIT Margin for BillerudKorsnäs will be adjusted so to be unaffected if the average currency exchange rates during 2013-2015 deviates more than five per cent compared to year-end 2012.) The maximum level of allotment under the performance conditions is an EBIT Margin of 11.5 per cent and the minimum level of allotment is an

BILLERUDKORSNÄS

EBIT Margin of 8.5 per cent. If the EBIT Margin amounts to the maximum level of 11.5 per cent or more, maximum allotment of 1 BillerudKorsnäs share per Performance Share Rights of series A shall be made. If the EBIT Margin should be lower than 11,5 per cent, but exceeding the minimum level of 8.5 per cent, a linear reduction of the allotment of BillerudKorsnäs shares shall be made. If the EBIT Margin amounts to 8.5 per cent or less, the Performance Share Rights of series A shall not entitle to allotment of BillerudKorsnäs shares.

Series B The performance conditions for the Performance Share Rights of series B relate to BillerudKorsnäs' EBIT margin in comparison with the average operating margin for the period 2013-2015 for a peer group of certain selected companies ("Comparing EBIT-margin"). The peer group consists of companies and their business areas with businesses including production and sale of pulp, paper and board as well as packaging materials and packaging solutions made thereof, that the Board of Directors has considered to be comparable to BillerudKorsnäs. The Board of Directors shall be authorized, in particular situations, to adjust the peer group's composition. The peer group is composed by of Mondi Europe and International (Packaging Paper), Smurfit Kappa Group, Stora Enso Renewable Packaging, Mead Westvaco (Food & Beverage and Home, Health & Beauty) Klabin and Metsä Board (Paperboard). If BillerudKorsnäs' EBIT-margin exceeds Comparing EBIT-margin, maximum allotment of 1 BillerudKorsnäs share per Performance Share Rights of series B shall be made. If BillerudKorsnäs' EBIT-margin is the same or lower than Comparing EBIT-margin, the Performance Share Rights of series B shall not entitle to allotment of BillerudKorsnäs shares.

Series C The performance conditions for the Performance Share Rights of series C relate to BillerudKorsnäs' total shareholder return for the period 2013-2015 ("TSR") in comparison with the total shareholder return for the period 2013-2015 for a peer group of certain listed Nordic companies with businesses including production and sale of pulp, paper and board as well as packaging materials and packaging solutions made thereof ("Comparing TSR"), where the lowest and highest quotation of total shareholder return in the peer group shall be excluded when calculating the Comparing TSR. The Board of Directors shall be authorized, in particular situations, to adjust the peer group's composition. The peer group is composed by the listed Nordic companies in the paper-packing business Ahlstrom, Holmen, M-real, Rottneros, SCA, Stora Enso and UPM. The maximum level of allotment under this performance condition is that TSR exceeds Comparing TSR by 10 percentage points or more and the minimum level is that TSR exceeds Comparing TSR. If BillerudKorsnäs' TSR exceeds Comparing TSR by 10 percentage points or more, maximum allotment of 1 BillerudKorsnäs share per Performance Share Rights of series C shall be made. If BillerudKorsnäs' TSR exceeds Comparing TSR, however with less than 10 percentage points, a linear reduction of the allotment of BillerudKorsnäs shares shall be made. If BillerudKorsnäs' TSR amounts to, or is less than Comparing TSR, the Performance Share Rights of series C shall not entitle to allotment of BillerudKorsnäs shares.

BILLERUDKORSNÄS

Terms and conditions for the Share Rights

In addition to what has been stated above, the following terms and conditions apply for both the Matching Share Rights and the Performance Share Rights:

- The Share Rights are intended to be allotted, free of charge after the Annual General Meeting 2013.
- The participants are not entitled to transfer, pledge or dispose the Share Rights or perform any shareholder's rights regarding the Share Rights.
- Allotment, free of charge, of BillerudKorsnäs shares, on the basis of the Share Rights, will take place after the publication of BillerudKorsnäs' first quarter report for the year 2016.
- BillerudKorsnäs will make no adjustments or compensations to the participants of LTIP 2013 due to dividend regarding the shares that the respective Share Right qualifies for.
- The maximum profit per participant is limited to an amount of SEK 230 per Share Right, equal to a maximum of 18 - 27 monthly salaries. The calculation shall be done based on the salary on which the calculation of the number of Saving Shares that the participant has a right to purchase has been done (see *Personal investment and allotment of share rights* above). In the event that the profit, when calculating the allotment according to LTIP 2013, should exceed this maximum limit of SEK 230 per Share Right, adjustment shall be made by consequently decreasing the number of BillerudKorsnäs shares that the participant is entitled to receive.

Detailed terms and administration

The Board of Directors, or the remuneration committee, shall be responsible for determining the detailed terms and administration of LTIP 2013 to be applicable between BillerudKorsnäs and the participant, however within the scope of herein given frames and directions. The Board of Directors shall be authorised to make the necessary adjustments to fulfil certain rules or market prerequisites in other jurisdictions. If delivery of shares cannot be accomplished at reasonable costs and with reasonable administrative efforts to persons outside Sweden, the Board of Directors shall be entitled to decide that the participating person may instead be offered a cash based settlement. The Board may also make other adjustments, including e.g. a right to resolve on a reduced allotment of shares, if material changes would occur within the BillerudKorsnäs Group or on the market that, according to the Board's assessment, would lead to that the resolved terms and conditions for allotment of shares under LTIP 2013 no longer fulfils the main objectives.

Scope

In total, LTIP 2013 comprises a maximum of 72,000 Saving Shares, which can involve allotment of in total a maximum of 325,600 BillerudKorsnäs shares (a maximum of 72,000 due to the Matching Share Rights and a maximum of 253,600 due to the Performance Share Rights). An additional 76,000 BillerudKorsnäs shares are assigned for shares that can be transferred by BillerudKorsnäs in order to hedge certain costs, mainly social security costs. The maximum number of BillerudKorsnäs shares which are included in the LTIP 2013 are thus 401,600, which correspond to approximately 0.2 per cent of the number of outstanding shares and votes in BillerudKorsnäs.

The number of shares included in the LTIP 2013 which can be transferred to the participants shall be subject to recalculation due to bonus issues, consolidation or share split, new issue of shares or

BILLERUDKORSNÄS

similar measures carried out by BillerudKorsnäs according to accepted practice for similar incentive programs.

In total, LTIP 2013 comprises a maximum of 401,600 BillerudKorsnäs shares. On 31 December 2012, the previously adopted long-term incentive programs, LTIP 2010, LTIP 2011 and LTIP 2012, comprised a maximum of 625,375 BillerudKorsnäs shares and 230,000 BillerudKorsnäs shares which are assigned for shares to be transferred by BillerudKorsnäs in order to hedge certain costs, mainly social security costs. The proposed LTIP 2013 together with LTIP 2010, LTIP 2011 and LTIP 2012 would entail a dilution of shares of approximately 0.06 per cent of the number of outstanding shares and votes in BillerudKorsnäs.

Hedging

In order to secure delivery of BillerudKorsnäs shares under LTIP 2013, the Board of Directors proposes that the Board of Directors shall have the right to decide on alternative methods for transfer of BillerudKorsnäs shares under LTIP 2013. The Board of Directors therefore proposes to have the right to decide to transfer own BillerudKorsnäs shares (in accordance with item 18 b) below) or to enter into so-called equity swap agreements with a third party in order to meet the requirements under LTIP 2013. The Board of Directors regards the first alternative to be the most cost efficient and flexible arrangement for the conveyance of BillerudKorsnäs shares and for covering certain cost, mainly social security cost.

Estimated costs and values of the LTIP 2013

The Board of Directors has estimated the average value of each Share Right to SEK 43.80. The estimation is based on generally accepted valuation models using the closing price for the BillerudKorsnäs share on 18 March 2013, statistics on the share price development as well as projected dividends. The aggregate estimated value of the 72,000 Matching Share Rights and 253,600 Performance Share Rights, based on a 50 per cent fulfillment of the performance conditions and estimations on turnover of personnel, is approximately MSEK 7.8. The value is equivalent to approximately 0.06 per cent of the market capitalisation for BillerudKorsnäs as of 18 March 2013. The costs are treated as a staff cost in the profit and loss accounts and it is expensed over the first 36 months in accordance with IFRS 2 on share-based payments. In the profit and loss accounts, social security costs will accrue in accordance with UFR 7 during the period 1 April 2013 to the release of the interim report for the period January – March 2016. The size of these costs will be calculated on the BillerudKorsnäs share price development during the period 1 April 2013 to the release of the interim report for the period January – March 2016 and allotment of the Share Rights. Based on a theoretical assumption of a yearly increase of 10 per cent of the share price and a vesting period of three years, the cost for LTIP 2013 including social security costs is approximately MSEK 12.0, which on a yearly basis equals to approximately 0.2 per cent of BillerudKorsnäs' total staff costs for the financial year 2012. The maximum cost for LTIP 2013, based on the above assumptions, is estimated to be approximately MSEK 37.8, including MSEK 23.5 in social security costs.

Effects on key ratios

In the event of full participation in LTIP 2013, BillerudKorsnäs' staff costs are expected to increase with approximately MSEK 4.0 annually. On a proforma basis for 2012, these costs equal a negative effect on BillerudKorsnäs' operating margin of approximately 0.04 percentage points and a decrease of earnings per share of approximately SEK 0.02.

BILLERUDKORSNÄS

Nevertheless, the Board of Directors considers that the positive effects on the result, which are expected to arise from the increase of the shareholding by managers and key employees and which, in addition, may further be expanded by the shareholding in LTIP 2013, exceed the costs related to LTIP 2013.

The preparation of the proposal

LTIP 2013, which is based on the previous long-term incentive program, has been initiated and prepared by the BillerudKorsnäs' Remuneration Committee together with external advisors. At the Board meeting on 12 March 2013 the Board of Directors resolved to introduce a long-term incentive program under existing principles and instructed the Remuneration Committee to further draw up the terms for the long-term incentive program.

Other incentive programs in BillerudKorsnäs

Please refer to BillerudKorsnäs' annual report or the company website www.billerudkorsnas.com for a description of all other share based incentive programs in BillerudKorsnäs. BillerudKorsnäs has no other share-based incentive programs than those described there.

b) Transfer of shares to the participants in the long-term incentive program 2013

Background

In order to implement the LTIP 2013 in a cost efficient and flexible manner, the Board of Directors has considered different hedging methods for the transfer of shares under the program. Based on these considerations, the Board of Directors intends to secure delivery of BillerudKorsnäs shares under LTIP 2013, by way of entering into an equity swap agreement with a third party (in accordance with the resolution under *Hedging* above), or, provided that the Annual General Meeting resolves in accordance with this item on the agenda, by way of transfer of BillerudKorsnäs' own shares held in treasury.

The Board of Directors proposal

The Board of Directors proposes that the Annual General Meeting resolves on transfer of shares in accordance with the terms and conditions set out below:

- Transfer may be made of a maximum of 325,600 BillerudKorsnäs shares held in treasury to the participants in LTIP 2013 (or the higher number of shares that may result from the conversion under the terms of the program due to bonus issues, consolidation or share split, new issue of shares or similar actions carried out by BillerudKorsnäs, according to accepted practice for similar incentive programs).
